CALL FOR EXPRESSION OF INTEREST

Within the EU-funded project on Promoting Transparency and Accountability in Public Administration of North Macedonia, the PwC is looking for qualified professionals to produce a **deep qualitative analysis of vulnerable sectors identified in the National Strategy for Prevention of Corruption and Conflict of Interest 2021-2025 (NSPCCI)**.

The aim of the analysis will be to set the baseline to measure the impact of the strategy on the selected sectors (mentioned below) with regards to transparency, accountability and integrity. The analysis should be based on the NSPCCI and its Action Plan and focus on the assessment of the *de iure* vs *de facto* situation in each sector in line with the integrity indicators and other indicators proposed by the authors as relevant.

The sectors to be analysed include:

- healthcare,
- education,
- sport,
- environment,
- agriculture,
- state-owned enterprises.

This call is addressed to individual experts and/or research teams with proven experience in proposing methodologies and conducting similar analytical studies in some or all of the mentioned sectors as well as proven knowledge and understanding of anti-corruption and integrity policies and issues.

The analysis will be implemented under the supervision of and in close cooperation with the PwC Project Team and the SCPC.

Qualified candidates are invited to send their CVs in EuropAid format (https://ec.europa.eu/commission/presscorner/detail/en/DOC_02_9) and in English to elena.gotovska@pwc.com and pkm@protracco-project.mk by 10 February 2021.
